Below the navigation bar is a large banner featuring a photograph of four people (three men and one woman) in professional attire. To the right of the photo, the text reads: "Since 1959, McCann Associates has been providing cost-effective and innovative assessment, certification, business intelligence, and personal development solutions for Higher Education, Government, Public Safety, and Corporate partners." A button labeled "Learn More About McCann" is positioned at the bottom right of the banner. Below the banner are three content boxes: "Postsecondary Readiness Assessment in Florida", "Virginia's Community Colleges (VCCS)", and "Upcoming Conferences". At the bottom of the page, there is a footer with links: Corporate Site | Contact Us | Careers | Vantage Learning | ISEEK | Vantage Linguistics | Vantage Communications | DigitalSports, and the copyright notice "McCann Associates© 2011". The browser's address bar shows "Internet | Protected Mode: Off" and the zoom level is set to 105%.

3. Once you access the “Resource Center” on the website, simply scroll down the page until you see the section for “Public Safety Resources.” You will need to select the appropriate study guide to download. Those candidates testing for the City of Milford, CT Fire Department should select the “Entry Level – Firefighter M-100 Study Guide”.
